Members of the ECSC Board of Trustees:

October 26<sup>th</sup> I nominated Robert Greene and Connie Greene to the ECSC Board of Trustees. The proposals read as follows:

**PROPOSAL 1:** Nomination of Robert S. Greene to the ECSC Board of Trustees (Please vote Yes, No, Abstain, or Needs more discussion)

I received votes from 22 of the 24 ECSC board members. Of the 22 votes cast regarding each proposal, all 22 voted Yes for both proposals.

I have copied Bob and Connie this email, so that they are also aware of the outcome. Bob and Connie: On behalf of the ECSC Board of Trustees, I officially welcome you to the ECSC board. Your perspectives and input are clearly valued by ECSC. Your names and contact information will be posted with other board members on the ECSC web page. Please let me know if you have any questions, concerns, recommendations.

I thank all board members for continuing to support ECSC. We have a conference to look forward to at Providence College Saturday, April 20, 2013. Please do what you can to encourage undergraduates on your campus to participate. Please let your colleagues at other institutions know about this undergraduate opportunity to communicate one's scientific results to others in the context of a scientific meeting.

A happy holiday season to all.

Sincerely,

Don Stearns  
ECSC Board Chair
